PREFACE.

THE PARISH REGISTERS OF NEWTON LONGVILLE, CO. BUCKS:—

As arranged in the form of an Index Transcript and printed in this volume are comprised in seven books, viz.:—

Book I is 12 inches high by $8\frac{3}{4}$ inches wide, and consists of 40 parchment leaves in stout modern vellum-covered boards, the book having been restored and re-bound by the Rev. H. C. Blagden (Rector 1875—1903). The leaves are extensively damaged, the first 24 leaves have all lost portions of the top border and corner; and the 13th, 23rd, and 24th are each more than half destroyed.

The book begins—

A Register book of . . . . . .
Christeninges and Burialls . . .
(Newe)ntonlongvile in the year of . . .
Beginning Anno Domini 1560.
Thomas Hart ye sonne of John Hart crisned y^e^ . . . .
John James ye sonne of William James cristned . . . .
Robert Johns ye sonne of Thomas Johns crisn . . .
Joan Hawkins ye daughter of Jeffery Hawkins of Great H(orwood).

The book is in one good handwriting up to 1620 and is evidently a copy of an older book. The record is imperfect, there is a hiatus, 1564—7, owing to a leaf being missing, there are other lacunæ through the book, and in several places the years are out of consecutive order.

"Bee it known y^t^ I Nathanaell Gyles —1620 Parson of Newntonlongvile did read ye 29 of October publiquely in ye same Church in ye midst of diuine seruice ye 40 articles agreed uppon by ye Archbishops and Bishops of both Provinces and ye whole Clergy in the Convocation holden at London in ye yere of our Lord 1562 for ye auoyding of diuersities of opinions and for ye establishing of consent touching true Religion. In witnes whereof we whose hands are underwritten doe subscribe.

October 29 1620, John Langford, Sextus Cook
John Hawkins yongers mark } Churchwardens.
Richard Berington.

Memorand . that I Hen: Wynington Rector of Newnton Longvill did this 15 of Sept. 1661 reade publiquely in the parish Church there in tyme of divine Service the 40 Articles agreed upon by the Archbishopps Bishopps of both provinces ꝓ the whole Clergie then in Convocation holden at London Anno. Dom. 1562 for the avoyding of divsity of opinions ꝓ for the establishing of consent touching true religion ꝓ I did then ꝓ there publiquely declar my full ꝓ heartye consent ꝓ assent unto them.

Witnesses William Cooke Hen Wynington
John × Kinge
churchwardens

Memorand . that I Hen: Wynington Rector of Newton Longvill in ye Comtye of Buck: did this 8 of Decemb. 1661 publiquely reade in tyme of divine service the 39 Articles of Religion ꝓ also an Act of Parliament lately made Intituled An Act for Safetye ꝓ preservation of his Matyes pson ꝓ another Act intituled An Act against Tumults ꝓ disorders, all wch I reade at ye tyme above written.

Hen Wynington

Witnesses . Robert Johns.
Thomas Bradbury.

N.B.—The Rector records reading 40 Articles in September and 39 Articles in December.

Book II is 9½ inches high by 7 inches wide and consists of 50 parchment leaves, and 3 paper leaves and one end. In the middle of the book are the proximal borders of 5 leaves, each one carrying a note that it was cut out to write the register on; evidently the Bishop's transcript, *e.g.*, "the rest of this leaf torn off to write the register upon for the year 1765. A. N. Sanderson, Rector." The book has been used simultaneously from each end, at the burial end 2 or 3 leaves are evidently missing as the record begins in 1727. The book is bound in calf-covered boards and is in good preservation.

The Book begins (on a paper leaf)—
A Register of all Marriages, Births
and Burials in the Parish of
Newton-longvil in ye County of Bucks
Beginning Aug. ye 5th, 1717.

Baptisms 1717.
None after ye 25th of August are Registered.

Marriages 1726.
Henry Potter of Northampton and Sukey
Bernard of Layton were Married Aug^st 18, 1726.

Book III is 10½ inches high by 9 inches wide and consists of parchment leaves in calf-covered boards, the front cover has a label on it "Newnton Longville Parish Register 1803." A large number of leaves have been cut out, 22 remain, 8 only are written on, the rest are blank.

The first entry is "Francis son of Richard Willison privately baptised April 17th, received June 12th, 1803."

Book IV.—The calf-bound folio vol. with printed forms for Banns and Marriages, issued in accordance with the Act, 26 Geo. II. Rev. W. Cole officiated 11 Aug., 1766, at the wedding of Philip Billington, of Bletchley, and Catherine Boughton.

Book No. V is of the pattern ordered by the Act of 1812, 52 Geo. III (Rose's Act), and contains 800 entries of baptism, the first entry being on 10 Jan., 1813, recording the baptism of Ambrose, son of John & Mary Boughton, yeoman. These are transcribed up to 4 March, 1840: 453 entries

Book No. VI is of the pattern ordered by the Act of 1812, contains 800 entries of burial, the first entry being on 5 Feb., 1813, recording the burial of Elizabeth Horne, widow, age 84. These are transcribed up to 2 Jan., 1840: 317 entries.

Book No. VII is of the pattern ordered by the Act of 1812, contains 110 entries of marriage to 1837, all of which have been transcribed.

The alteration of the Calendar is noticed: "1752 According to "an Act made last sessions of Parliament ye new year is now to "commence on the first day of January."

In the marriage register under 1753-4 are entered three marriages which took place at Tattenhoe Church, a small chapel situated two or three miles away.

In 1806 the banns of Edward Line, widower, and Jane Perry, were forbidden by Sarah Ashby on the ground of precontract, but not held lawful impediment by Mr. Le Mesurier, Rector.

The banns of Joseph Moors and Mary Battams were published twice—in April, 1810, and again May, 1813; and on 18th September, 1813, the marriage was recorded—the man's name being given as Moore.

The Registers were copied and revised from the originals by Mr. William Bradbrook, Bletchley, Bucks., the Hon. Secretary of the Bucks Parish Register Society, founded in 1902, which Society, *owing to the exigencies of the times*, closed down in 1916 after having

issued its XXth Register, and generously handed the balance of its funds and some Transcripts of Registers to the Parish Register Society, with an expression that the latter Society should occasionally print a Bucks. Register in its series.

The Parish Register Society wish to place on record its appreciation of Mr. Bradbrook and his fellow-members for their kind act.

PREFACE.

THE PARISH REGISTERS OF NEWTON LONGVILLE, CO. BUCKS:—

As arranged in the form of an Index Transcript and printed in this volume are comprised in seven books, viz.:—

Book I is 12 inches high by $8\frac{3}{4}$ inches wide, and consists of 40 parchment leaves in stout modern vellum-covered boards, the book having been restored and re-bound by the Rev. H. C. Blagden (Rector 1875—1903). The leaves are extensively damaged, the first 24 leaves have all lost portions of the top border and corner; and the 13th, 23rd, and 24th are each more than half destroyed.

The book begins—

A Register book of . . . . . .
Christeninges and Burialls . . .
(Newe)ntonlongvile in the year of . . .
Beginning Anno Domini 1560.
Thomas Hart ye sonne of John Hart crisned y^e^ . . . .
John James ye sonne of William James cristned . . . .
Robert Johns ye sonne of Thomas Johns crisn . . .
Joan Hawkins ye daughter of Jeffery Hawkins of Great H(orwood).

The book is in one good handwriting up to 1620 and is evidently a copy of an older book. The record is imperfect, there is a hiatus, 1564—7, owing to a leaf being missing, there are other lacunæ through the book, and in several places the years are out of consecutive order.

"Bee it known y^t^ I Nathanaell Gyles —1620 Parson of Newntonlongvile did read ye 29 of October publiquely in ye same Church in ye midst of diuine seruice ye 40 articles agreed uppon by ye Archbishops and Bishops of both Provinces and ye whole Clergy in the Convocation holden at London in ye yere of our Lord 1562 for ye auoyding of diuersities of opinions and for ye establishing of consent touching true Religion. In witnes whereof we whose hands are underwritten doe subscribe.

October 29 1620, John Langford, Sextus Cook

Memorand . that I Hen : Wynington Rector of Newnton Longvill did this 15 of Sept. 1661 reade publiquely in the parish Church there in tyme of divine Service the 40 Articles agreed upon by the Archbishopps Bishopps of both provinces ℘ the whole Clergie then in Convocation holden at London Anno. Dom. 1562 for the avoyding of divsity of opinions ℘ for the establishing of consent touching true religion ℘ I did then ℘ there publiquely declar my full ℘ heartye consent ℘ assent unto them.

churchwardens

Memorand . that I Hen : Wynington Rector of Newton Longvill in ye Comtye of Buck : did this 8 of Decemb. 1661 publiquely reade in tyme of divine service the 39 Articles of Religion ℘ also an Act of Parliament lately made Intituled An Act for Safetye ℘ preservation of his Matyes pson ℘ another Act intituled An Act against Tumults ℘ disorders, all wch I reade at ye tyme above written.

Hen Wynington

Witnesses . Robert Johns.
Thomas Bradbury.

N.B.—The Rector records reading 40 Articles in September and 39 Articles in December.

Book II is 9½ inches high by 7 inches wide and consists of 50 parchment leaves, and 3 paper leaves and one end. In the middle of the book are the proximal borders of 5 leaves, each one carrying a note that it was cut out to write the register on ; evidently the Bishop's transcript, *e.g.*, " the rest of this leaf torn off to write the register upon for the year 1765. A. N. Sanderson, Rector." The book has been used simultaneously from each end, at the burial end 2 or 3 leaves are evidently missing as the record begins in 1727. The book is bound in calf-covered boards and is in good preservation.

The Book begins (on a paper leaf)—
A Register of all Marriages, Births

Marriages 1726.
Henry Potter of Northampton and Sukey
Bernard of Layton were Married Aug^st 18, 1726.

Book III is 10½ inches high by 9 inches wide and consists of parchment leaves in calf-covered boards, the front cover has a label on it "Newnton Longville Parish Register 1803." A large number of leaves have been cut out, 22 remain, 8 only are written on, the rest are blank.

The first entry is "Francis son of Richard Willison privately baptised April 17th, received June 12th, 1803."

Book IV.—The calf-bound folio vol. with printed forms for Banns and Marriages, issued in accordance with the Act, 26 Geo. II. Rev. W. Cole officiated 11 Aug., 1766, at the wedding of Philip Billington, of Bletchley, and Catherine Boughton.

Book No. V is of the pattern ordered by the Act of 1812, 52 Geo. III (Rose's Act), and contains 800 entries of baptism, the first entry being on 10 Jan., 1813, recording the baptism of Ambrose, son of John & Mary Boughton, yeoman. These are transcribed up to 4 March, 1840: 453 entries

Book No. VI is of the pattern ordered by the Act of 1812, contains 800 entries of burial, the first entry being on 5 Feb., 1813, recording the burial of Elizabeth Horne, widow, age 84. These are transcribed up to 2 Jan., 1840: 317 entries.

Book No. VII is of the pattern ordered by the Act of 1812, contains 110 entries of marriage to 1837, all of which have been transcribed.

The alteration of the Calendar is noticed: "1752 According to "an Act made last sessions of Parliament ye new year is now to "commence on the first day of January."

In the marriage register under 1753-4 are entered three marriages which took place at Tattenhoe Church, a small chapel situated two or three miles away.

In 1806 the banns of Edward Line, widower, and Jane Perry, were forbidden by Sarah Ashby on the ground of precontract, but not held lawful impediment by Mr. Le Mesurier, Rector.

The banns of Joseph Moors and Mary Battams were published twice—in April, 1810, and again May, 1813; and on 18th September, 1813, the marriage was recorded—the man's name being given as Moore.

The Registers were copied and revised from the originals by Mr. William Bradbrook, Bletchley, Bucks., the Hon. Secretary of the Bucks Parish Register Society, founded in 1902, which Society, *owing to the exigencies of the times*, closed down in 1916 after having

issued its XXth Register, and generously handed the balance of its funds and some Transcripts of Registers to the Parish Register Society, with an expression that the latter Society should occasionally print a Bucks. Register in its series.

The Parish Register Society wish to place on record its appreciation of Mr. Bradbrook and his fellow-members for their kind act.
